

## *Paper Panache Paper-Pieced Patterns*

*Years 2002-2018*

Every year I made up the year in paper piecing to send out as a freebie with printed pattern orders. Each of these patterns represents a whole year of living, breathing, answering email, designing patterns, keeping up the inventory, filling orders, running to the post office, etc., etc....

Now you have them all in one place!

Go forth, make labels, and date all your quilts!

Patterns are not all exactly the same size.
