bl | blue
gr | ground

PIECING ORDER

(A+B+C)+(D+E)+(F+G)
plus
(H+I+J+K+L)+(M+N+O+P+Q)
plus
R

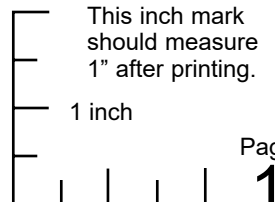

Match seams where
arrowheads meet.

The piecing order is always
shown paper side up, which is
also the wrong side.

PATTERN MARKINGS

- Section seam—cut apart on heavier lines and sew back together after paper piecing.
- Paper piecing seam.
- MATCH PTS: Match seams together where facing arrows meet.

Red lines on pattern denote outer edges of block.

gr ground

Apply glue stick to this tab and slide under the smaller piece of section R, matching dashed lines exactly.

Match seams where arrowheads meet.

The R section is in two pieces and must be taped or pasted together before using. See instructions on tab at left. The rest of R is on page 3.

.....

PATTERN REPLACEMENT: Your methods and materials are under your control and results cannot be guaranteed. However, if you should ever find an error in piecing order or color placement that makes this PDF pattern unworkable, I will replace it. Please send email request and description of problem to hi_linda@paperpanache.com..
